**SAUNDARYA**  
Skin & Hair Care

Skin care is a part of a healthy lifestyle. Skin covers outer body, thus making it most vulnerable to dust, pollution, seasonal changes etc. Mental stress and physical stress directly affects the skin and results in early ageing. The skin reflects the internal status of health of the body. Different types of skin treatment are available as per the skin type (oily skin, dry skin & combinations skin). Daily Skin care routine like cleansing, toning and moisturizing can result in a healthy looking skin.
